San Juan Unified School District College & Career Readiness Naviance Scope & Sequence (9-12)

Naviance is a college and career readiness platform that enables self-discovery, career exploration, academic planning, and college preparation for 6th-12th grade students in San Juan Unified School District.

The following Scope & Sequence is designed to help students explore their interests and strengths and develop a course of study that matches long-term goals with an actionable plan.

9th Grade

Task(s)	Description
Complete Career Cluster Finder	The Career Cluster Finder is a simple assessment that helps a student discover which career clusters may be a good match based on activities they have an interest in, personal qualities, and subjects they enjoy in school. The assessment results include the top three clusters the student is matched with and a ranking of all clusters that match the student.
Add Clusters/Pathways to My Favorites List	Students recognize their strengths in (Career) Cluster/Pathway outcomes.
Complete Do What You Are	Students choose from the listed themes (e.g. risk, determination, failure) in which leaders specifically address their own trials and learning related to the particular theme.
Add Careers to My Favorites List	Students can narrow down identified Clusters/Pathways to learn about specific careers.
Create a SMART Goal	Students will explore the importance of goal-setting, develop their own SMART goals, and construct a plan to achieve their goals.

10th Grade

Task(s)	Description
Complete Career Interest Profiler	The Career Interest Profiler is an online career interest assessment for students based on Holland's interest codes. It allows students to complete an inventory which analyzes their own interests and pairs the results with potential career matches.
Add Careers to My Favorites List	Students can narrow down identified Clusters/Pathways to learn about specific careers.
Build Resume	Students will develop a resume through templates in Naviance. Students can store resume information that can easily be transformed into a resume that fits their specific needs. Resumes can be downloaded and saved as a PDF or printed.
Create a 4-Year Course Plan	Naviance Course Planner helps students create course plans aligned to their career interests, graduation requirements,and post-secondary plans.
Add Colleges to Colleges I'm Thinking About List	Students can add colleges to their Colleges I'm Thinking About List. This help when scheduling College Rep Visits and providing guidance and information to students on the application process.

11th Grade

Task(s)	Description
Add Careers to My Favorites List	Students can narrow down identified Clusters/Pathways to learn about specific careers.
Build Resume	Students will update their resumes to fit their post-secondary aspirations. Resumes can be downloaded and saved as a PDF or printed.
Add Colleges to Colleges I'm Thinking About List	Students can add colleges to their Colleges I'm Thinking About List. This help when scheduling College Rep Visits and providing guidance and information to students on the application process.
Register for a College Visit	Students can register for College Rep Visits to meet with college representatives that come to their school campus.

12th Grade

Task(s)	Description
Build Resume	Students will update and finalize their resumes to fit their post-secondary aspirations. Resumes can be downloaded and saved as a PDF or printed.
Add Colleges to Colleges I'm Applying To	Students add colleges to their Colleges I'm Applying To list.
Apply for Scholarships/Financial Aid	Students gather information and begin the process of filing their FAFSA. Students will also explore available scholarships, including those listed in Naviance.
FAFSA Survey	Students complete the FAFSA survey so teachers and staff can help guide students through the process before the FAFSA deadline.
Graduation Survey	Students complete the Senior Survey as part of their Senior Checkout. In this survey, students will highlight their post-secondary plans. Students will designate the school they're attending and where to send their final transcripts.
